**STIHL**

DOUBLE UP.

**Buy an extra battery and double
your limited warranty.**

Extend your run time for the workday with a second STIHL battery. Plus, when you add an extra AK, AP, or AR battery to your purchase of a STIHL battery tool, we'll double the life of your limited warranty.

Double limited warranty protection applies to select STIHL battery-powered products, batteries, and chargers purchased for personal non-income producing household purposes only. At the time you purchase your battery-powered equipment, simply add at least one additional AK, AP, or AR battery to double the life of your standard limited warranty coverage. Other restrictions apply. See dealer for details or refer to STIHL's Limited Warranty Policy. © 2024 CDC-BME STIHL
